

Keep Your Medicaid Coverage

3 simple steps to renew on time

Remember: Keep Your Contact Info Up To Date | Check Your Status | Renew On Time

1

Check Your Mail

MDHHS may ask for proof. Start getting papers ready.

- Your letter tells you when it is time to renew
- It also tells you the due date and what to send

2

Gather Your Papers

Watch for a letter from MDHHS. Open it right away.

- You may need ID, income papers, bank papers, or citizenship/immigration papers
- If MDHHS needs more proof, they may send a Verification Checklist

3

Send Your Information

Send your renewal before the due date.

Choose one way:

- Online: Go to MI Bridges
- Fax: 517-346-9888
- Mail: MDHHS address is on your letter
- In person: Go to your local MDHHS office
