

Guide to Care

West Michigan

Our family *caring* for yours.

Trinity Health Medical Group is a multi-specialty physician network that employs more than 800 physicians and advanced practice professionals in Grand Rapids, Muskegon, Grand Haven and the Lakeshore. Our care model centers around the patient relationship within a Catholic faith-based setting, in which we become lifelong health partners with you and your family. We also encourage active patient involvement and provide a higher degree of accessibility than the average doctor. We're here to listen and ensure you get access to the care you need.

Thank a Trinity Health provider or caregiver at TrinityHealthMichigan.org/ShareYourGratitude

PATIENT RESOURCES

MyChart

Stay Connected to Your Health

MyChart gives you online access to your medical record. View test results, message your doctor, schedule your next appointment and review medical information from anywhere.

Available through any web browser at MyChartTrinityHealthMi.org or download the Trinity Health MyChart mobile app on your smart phone.

Menopause & Perimenopause

Our menopause experts can help you navigate this season by evaluating symptoms and recommending the best treatment plan to meet your unique wellness goals.

Wednesday Wellness

Education Series

Wednesday Wellness is a live, virtual and free health education series. Once a month, our providers look forward to sharing information on current and trending health topics that are relevant to you and your family.

TrinityHealthMichigan.org/WednesdayWellness

Your Health at Every Age

No matter what your age, Trinity Health is dedicated to helping everyone maintain good health and live life to their fullest. That's why we created these decade flyers—a helpful list of suggested screening tests and procedures specific to your age group.

Collaborative Care Behavioral Health Program

Our program offers integrated support for anxiety and depression through a team that includes your primary care provider (PCP), a behavioral health specialist and a psychiatrist, who work together to monitor progress, adjust treatment and help you build effective coping skills.

Trinity Health Medical Group Senior Primary Care & Consult Services

We provide primary care for patients 65+ with complex health needs. Our team supports older adults and caregivers through comprehensive assessments, personalized care plans, and connections to local resources. Each patient begins with a questionnaire and receives tailored recommendations to improve quality of life.

 Save Your Spot

Get Care from Home.
A **virtual urgent care** visit can get you the help you need today.

TrinityHealthMichigan.org/WMIUrgentCare

For emergency services, see [page 7](#).

What is Urgent Care?

Offering extended hours seven days a week including holidays, Trinity Health Urgent Care is just what the patient ordered.

We treat non-life-threatening medical conditions, such as:

- Back pain
- Cuts requiring stitches
- Conjunctivitis (pink eye)
- Fever or flu symptoms
- Fractures (broken bones)
- Headaches
- Mild to moderate allergic reactions
- Mild to moderate asthma
- Minor head injuries
- Seasonal allergies
- Sprains and strains
- Urinary tract infections (UTIs)

Save Your Spot

Skip the wait and save your spot at our Urgent Care locations. Your saved spot is not a guaranteed appointment, but an option that allows you—or a sick family member—to seek care at a time that is convenient.

Trinity Health Medical Group Academic Practices

Our team of faculty and resident physicians provide the most up-to-date, evidence-based medical care in a caring, compassionate environment. Working closely with each of our patients, we develop personalized care plans with a special emphasis on preventive care so that, in addition to helping you with health concerns, we can work with you to avoid ones that may come up in the future.

Rehabilitation

Our 10 locations throughout West Michigan offer a broad range of services to help you get back to the highest level of independence possible. Our team of experienced and expert therapists specializes in physical, occupational, speech, and athletic outpatient rehabilitation. Learn more at TrinityHealthMichigan.org/Rehabilitation.

Pharmacy

Need your prescription now? Join Trinity Health and experience personalized care, comprehensive services, coverage and flexibility. With 14 convenient locations in West Michigan, learn more about delivery qualification, drive-thru and curbside pick-up locations.

Additional services, including general surgery, ENT and plastic surgery are available in our hospital setting. Talk to your primary care provider for additional information or a referral.

Lab

Trinity Health offers a network of 20 state-of-the-art, full-service lab locations in West Michigan, accredited by the College of American Pathologists. Our lab services include a complete offering of on-site lab testing as well as stat testing. Schedule your appointment at TrinityHealthMichigan.org/Lab.

Imaging

Our imaging and radiology services offer advanced diagnostic technology in a comfortable setting, with expert staff committed to fast, accurate results. From X-rays to MRI and CT scans, we support your care with precision and efficiency. Learn more about our services and convenient locations at TrinityHealthMichigan.org/Radiology.

Mammography

MammoPlus™ offers every patient a 3D digital mammogram and a personalized breast cancer risk assessment—all at no extra cost. By calculating your lifetime risk, we can create tailored plans to monitor your breast health and reduce risks.

Mobile Mammography Unit

Our mobile mammography unit uses the same state-of-the-art digital technology offered at our trusted Breast Center locations. To schedule your next mammogram at one of our six imaging locations or with our mobile mammography unit, visit TrinityHealthMichigan.org/Mammography.

Trinity Health Neonatology

Trinity Health Grand Rapids' Neonatal Intensive Care (NICU) is a Level III facility, staffed with neonatologists. This specialized care includes the services of specially trained neonatal advanced practitioners, 24 hours a day.

Trinity Health Muskegon is proud to provide a special care nursery (SCN), also known as a Level II nursery, which provides specialized care for newborns who need more support than a typical newborn nursery but don't require the intensive care of a NICU.

NICU Transport

Our team is ready if your delivery hospital doesn't have a NICU and your baby needs one. Our dedicated NICU transport service quickly and safely takes your baby to the closest NICU. Our NICU transport includes breathing support, a fluid-filled warming mattress, and one-to-one monitoring with a highly trained NICU transport team.

Surgical Services

Anesthesiology

Our employed anesthesiologists and certified registered nurse anesthetists (CRNAs) work together to administer anesthesia, monitor vital functions, and manage pain before, during and after operations.

Surgical Optimization Services (SOS)

Located in our Grand Rapids and Muskegon hospitals, our SOS team builds a customized plan specifically for you to improve your surgical experience.

Robotics

Robotic surgery is changing how we approach complex procedures. Using advanced systems, our skilled surgeons operate with greater precision and smaller incisions—leading to less pain, fewer scars and faster recovery.

Hauenstein Neuroscience Center

From epilepsy and stroke to spine care, Parkinson's disease, and sleep disorders, Trinity Health Hauenstein Neuroscience Center treats a wide range of brain and nervous system conditions. Using advanced technology and compassionate care, the center focuses on healing the mind, body, and spirit.

Movement Disorders

Specialized care for Parkinson's, essential tremor, tics, dystonia, chorea, and Huntington's disease.

Neurology

Neurology services include diagnosis and treatment for headaches, carpal tunnel, visual changes, and more. Offerings range from stroke follow-up and EEG/EMG testing to migraine protocols, Botox® for movement disorders, neuro-infusions, and multiple sclerosis (MS) support.

Neuromuscular

Expert care for Amyotrophic Lateral Sclerosis (ALS), Muscular Dystrophy (MD), and neuropathy. Home to West Michigan's first nationally certified

ALS program and the only accredited adult MDA clinic for nerve, muscle, and neuromuscular junction diseases.

Neuro Rehabilitation and Neuro Spine Rehabilitation

Treats conditions like Parkinson's, MS, vestibular issues, neuropathies, ALS, MD, stroke, and brain tumors. Therapists are trained in advanced speech, physical, and occupational therapy techniques.

Sleep Center

Four accredited locations offer comprehensive evaluation and treatment for adult and pediatric sleep disorders, including sleep apnea, insomnia, parasomnia, narcolepsy, and restless leg syndrome.

Stroke Care

We offer 24/7 stroke care with a fast-acting team of specialists. Trinity Health Muskegon is a certified Primary Stroke Center, and Trinity Health Grand Rapids is a Comprehensive Stroke Center—ensuring expert care from emergency treatment through recovery.

Hyperbaric Oxygen

Trinity Health Wound Care – Grand Rapids Campus & Muskegon Campus

Hyperbaric oxygen therapy involves breathing 100% pure oxygen inside a pressurized chamber. This “hyperbaric” (or high-pressure) dose of oxygen helps the blood carry more oxygen to the organs and tissues, promoting wound healing.

WHEN TO VISIT YOUR PROVIDER'S OFFICE

For Care and Treatment of Non-urgent Issues

Your provider offers routine care and treatment, whether through video visits or in-person appointments, when it's not an emergency. They are most familiar with your medical history.

OR VIDEO VISIT

WHEN TO VISIT URGENT CARE

For Immediate Needs, Not Life-threatening

Urgent care can treat any health problem quickly that is not an emergency. Urgent care has evening and weekend hours when your primary care provider may not be available.

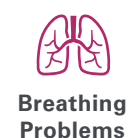

OR VIDEO VISIT

WHEN TO VISIT AN EMERGENCY ROOM

For any Life or Death Emergency or Urgent After-hours Need (Open 24/7)

You should follow up with your primary care provider after a visit to an emergency room.

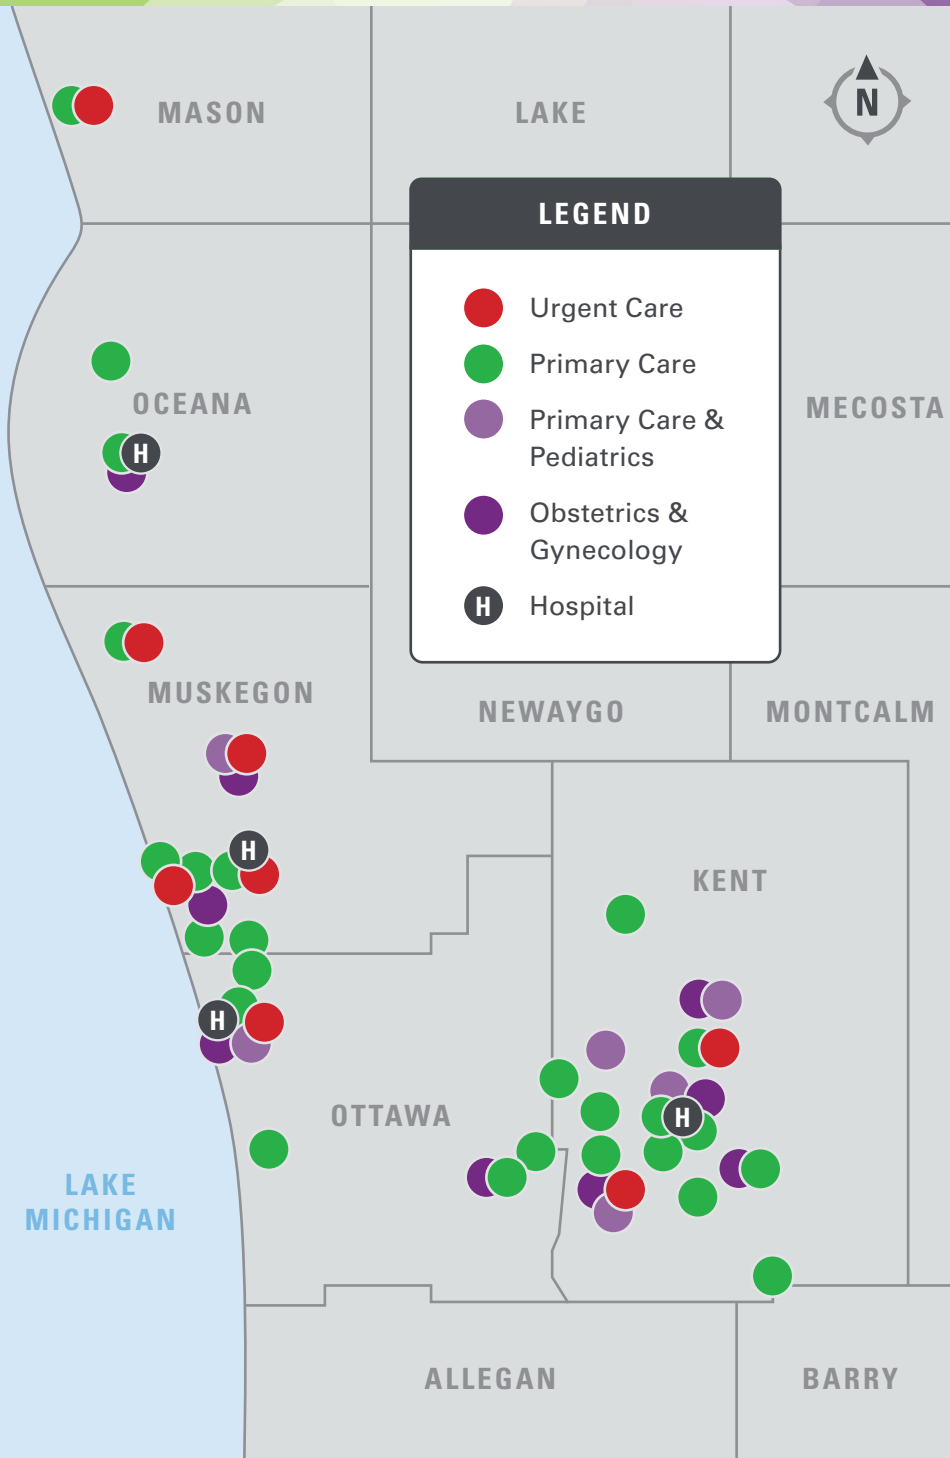

Care for You and Your Family

At Trinity Health, we're here for you and your whole family, offering care that supports your health at every step.
